Application No. 10/634,620

Dear Patent Commissioner:

On November 4, 2003, the applicant was sent a "Notice to File Missing Parts of Non Provisional Applications". The applicant was given two months to respond. On November 12, 2003 we responded with a copy of the Notice of Filing Missing of Non Provisional Application and a check for \$125.00 payable to the Commissioner of Patents. On December 31, 2003 the applicant responded with Replacement Claims. The response was appropriate and complete.

On April 22, 2004 we typed the applicants application number in to your web site and received a message saying "sorry, the entered application number "10/634,620", is invalid."

Please explain.

Sincerely,  
Behrend & Ernsberger, P.C.
